1. I will be guilty of the offense and my driver record will be changed to show a conviction of this offense.
2. Points will be assessed against my driver license.
3. Additional fines, costs and fees will be assessed due to a D6 suspension.

New Basic Driving School (BDI) Requirement House Bill 481 Effective October 1, 2009:

The Department of Highway Safety and Motor Vehicle now require any operator convicted of failure to obey a traffic control device (running a red light), failure to yield right-of-way to vehicle or pedestrian, passing a stopped school bus to complete a Department approved 4-hour basic driver improvement course. All drivers, except COL holders may elect to attend a CDL course in lieu of points only if eligible. All drivers, even CDL holders are required to complete this course. If the driver does not elect to attend a school, the Department will automatically generate a notice advising they must complete a CDL course within 90 days from the date of the notice.

NOTICE: DO NOT SIGN THIS ELECTION UNLESS YOU ARE SURE YOU UNDERSTAND ALL OF THE CONDITIONS FOR ELECTING TO ATTEND A DRIVER IMPROVEMENT COURSE.

My signature indicates my intent to elect to attend a driver improvement course, and that I have read and understand the requirements listed above.
